EDGE Producer Feature: Domino Basconcillos, Ribera del Duero

These wines offer singular expression of place while pushing the envelope of winemaking. Basconcillos sits atop the northern mesa of Ribera del Duero at over 3,300 feet – once thought too extreme for this region. Organic viticulture, fastidious attention to detail, and true Chateau approach create these amazing, bold wines. Powerful, rich, refined, and tremendous values. A must for every Cabernet lover, yet true to their roots.

We know you will love them too. Salud!
